For All Time

75th Anniversary Endowment and Capital Campaign

Ways to Give

Pledges to the For All Time campaign may be paid over 5 years.

Cash

NAWCC gratefully accepts gifts in the form of cash, check, credit card, EFT, and wire transfer.

Publicly Traded Securities

Gifts of appreciated stocks are a great way to avoid capital gains tax. You are credited with the average of the high and low quoted selling price on the date the donor relinquishes control. Please complete a Stock Transfer Form.

Gifts of Horological Items to the Collection

Such gifts are subject to review on a case-by-case basis. Any such gifts must have a use related to the NAWCC purpose and benefit the NAWCC as an object of cultural value.

In Kind/Tangible Personal Property

Donations may be sold with proceeds used toward the campaign or utilized in NAWCC operations to reduce budget expenses. Such donations must be in accordance with IRS rules and the NAWCC Gift Acceptance Policy.

Insurance Policies

By either donating a life insurance policy outright or naming NAWCC as beneficiary, you can provide a large gift that can provide a lasting legacy. Charitable riders on cash value insurance policies can also be used to make a gift.

Individual Retirement Accounts (IRA) Rollover

Up to \$100,000 may be transferred directly from your IRA, yielding tax advantages if you are age 70½ or older. This option ends in 2013 unless federal legislation extends it for future years.

Closely Held Stock

Such gifts must be approved by the NAWCC Board prior to acceptance.

Grants

Whether from private foundations or public entities, grant income is accepted toward the campaign.

Real Estate

Such gifts must be reviewed by the Board officers on a case-by-case basis.

Other Property

Non-cash property such as mortgages, notes, patents, copyrights, etc., will be accepted on a case-by-case basis.

For All Time Campaign Gift Recognition

In recognition of your generous support, the National Association of Watch and Clock Collectors offers a range of distinctive opportunities to honor and recognize your, family, friends or corporation by placing their names in prominent locations within the NAWCC facility.

Named Endowment Fund & Donor Recognition Societies

Named Endowment Fund

Named Funds can support the bricks-and-mortar and program needs of the NAWCC, and also our intellectual work and services. With a gift of \$50,000 or more, a donor may establish a named endowment fund. The endowment fund may provide annual support for the NAWCC organization as a whole or may be designated to a program area such as the Museum, Library or a collection. Named funds will provide support in perpetuity.

John Harrison Endowment Society

The John Harrison Endowment Society recognizes people who have donated \$1,000 or more to NAWCC endowments. John Harrison (1693-1776), a celebrated English horologist, invented the marine chronometer, revolutionizing safe long-distance sea travel. Cumulative gifts are recognized by tiers within the Society.

1943 Heritage Society

Join an elite group of generous NAWCC members who have made gifts or informed the NAWCC of their intent to make a gift through a will, bequest, or other planned gift. The name “1943 Heritage Society” signifies the founding year of the Association and “heritage” connotes the lasting impact of these thoughtful gifts.
